

China Southern Airlines unveils new amenity kits for long haul flights - *independence, passion and luxury*

Hong Kong – 1 August 2019 – Aeolus (Asia) Ltd., a leader in tailored amenities solutions to airlines in Asia, is pleased to announce that it has launched the new and China-first Chopard branded Business Class Amenity kit for China Southern Airlines.

Aeolus has been continually supplying China Southern Airlines Business Class Amenity kits for over 9 years. The new Chopard amenity pouch has been cleverly designed with elegance to meet the Business Class passengers' discerning needs.

China Southern Airlines has chosen the global brand Chopard Sparkling Indulgence skincare for their new Business Class Amenity kits based on its universal attractiveness. This luxury offering will captivate with its distinctive feel as Chopard Sparkling Indulgence skincare combines sumptuous elegance and timeless pampering with its outstanding ingredients and enchanting scent.

AEOLUS GM Brian Lee said: *"We are proud to present for the first time on board, the Chopard Sparkling Indulgence brand. Along with this line of amenity products especially selected for China Southern Airlines, the team worked on creating a beautiful pouch. Our mission was to develop a product offering that matched the comfort and luxury of the China Southern Airlines' Business class cabins. Our teams are delighted to contribute to the satisfaction of China Southern Airlines' passengers as part of our collaboration with such a high-level and influential airline."*

About Aeolus (Asia) Ltd. - AEOLUS is an Inflight Amenities supplier to airlines. The products we offer include amenity kits, tableware, textiles, comfort items, cosmetics and tailored inflight services. From design to delivery, we strive for excellence and source the perfect partners to bring the highest-quality products to passengers. "Ruler of the winds" means we convert imagination into successfully delivered products.
