

Royal Brunei Airlines Extends Its Partnership for Business Class Amenity Kits and Lounge Toiletries

AEOLUS VP Asia, Alex CHU said: "We are proud to strengthen our collaboration with Royal Brunei Airlines and our partnership with the Thailand's pioneer skincare brand, HARNN. Our mission is to develop tailored solutions and services in accordance with our clients' identity and expectations. For Royal Brunei Airlines, our team found the right match with HARNN. This extension of amenity line will be powerful to increase the passenger experience through the whole journey."

Hong Kong – October 2019 – Aeolus (Asia) Ltd., a leader in tailored amenities solutions to airlines in Asia, is proud to announce the extension of its collaboration with Royal Brunei Airlines for their Business Class Amenities.

As the long-standing supplier of Royal Brunei Airlines for a wide range of products, Aeolus strives to find the right and best customized solutions to his client. The collaboration between Royal Brunei Airlines and Aeolus for branded amenity kits dedicated to Business Class passengers started in October 2018 with a luxury selection of two HARNN skincare from Cymbopogon collection. Today, this collaboration and partnership goes further in bringing a wider concept from lounges to Business Class cabin.

From November 2019, Royal Brunei Airlines Business Class passengers will enjoy the Asian heritage of HARNN skincare Cymbopogon Body Souffle and Cymbopogon Lip Balm accompanied by a designed leaflet to understand the usage of each product. Along, two new products, a Hand Wash 230ml and a Body Moisturizer 230ml from the same range of the skincare, Cymbopogon, will be available in lounges in order to increase even more the passenger experience.

As Thailand's pioneering body care, skincare and aromatherapy brand since 1999, HARNN took inspiration from Asian holistic approach for each formulation with the finest active ingredients in order to help restore the natural balance for body and mind before, during and after the flight.
